Wireless Security

HS912S - Smart Wireless Home Alarm Kit with Camera

KEY FEATURES AND BENEFITS

- Honeywell Home unique patented bi-directional secure 868 MHz Wireless Technology - longer range (1000m) and improved battery performance.
- Standard SIM Card with roaming services.
- Ethernet port for IP connection.
- Up to 32 peripherals per installation.
- Leave your home with complete peace of mind. The APP allows you to monitor your home from a tablet or smartphone to ensure your family is safe
- Total Connect Comfort International mobile Apps enable visual verification feature which allows you to see what is happening if an alarm is activated. The home owner is notified by SMS or email and can distinguish whether an intrusion has occurred or if it is a false alarm.
- Stand-by 24hrs back up in case of mains loss.
- Total Connect Comfort' iOS and Android app available in App Store and Google Play to download. Apps support all security related functions
- Web portal URL to support registration and setup: <https://international.mytotalconnectcomfort.com>
