Subject: Products that do not require an EU Declaration of Conformity

Thank you for considering Resideo's products.

The products as listed below are designed and manufactured in accordance with leading industry practices and then tested extensively against Resideo's quality standards.

They do not fall within the scope of the EU's New Legislative Framework (the CE Marking Directives and Regulations) and as such, do not require an EU Declaration of Conformity.

Should you require any further information regarding the products listed, please do not hesitate to contact your local Resideo Product Manager.
